As we sweep this year’s memories into the corners of our mind and to the safety of our heart, we thank all of those Nobles and Ladies who made it happen. Peace and good will to each of you and yours.

Lady Julianne and I wish to all a Happy Holiday Season

Ill. Sir David Smith
Greetings All,

It seems like only a short time ago I made a decision to seek the office of Oriental Guide and today I write my final message as Potentate of the greatest Shrine center in North America, and what a time it has been!

I’d like to spend some time reflecting back over the years and thanking those who made them all so wonderful. First, I’d like to thank my family for their love and support and especially to Julianne and Matthew for their understanding of the time I was away from home many days and nights.

I want to thank the Shriners and all the Ladies who have helped me in so many ways either by their hard work on the various projects and events we’ve hosted or by the advice they have provided me. To the girls in the office, whom I have relied on for help and guidance so much, Thanks!

I’d like to thank the new nobles who have made a decision to join this organization and to keep it strong into the future.

To the captains, the various committee chairman, members of those committees and my staff, thanks to all of you for making 2005 one of the best years ever in Al Menah history. I’d also like to thank Past Imperial Potentate Raoul L. Frevel and his Lady Rosie for taking time from their busy schedule last spring to visit Al Menah for our Potentate’s Ball. Thanks to all the units and clubs for coming out to the various parades and events even when it would have been a lot warmer and sometimes drier by staying at home.

I want to thank the Shrine Hospitals for allowing us the opportunity to serve and to help those less fortunate than us to live a more productive life. Thanks to those who have gone before us, for the friendships we made and may they all rest in peace.

For the Divan members who I’ve had the opportunity and pleasure to serve with in the past, thanks for your help and guidance throughout this year, and to the current members the best of luck to each of you and your Ladies in the future.

Now in closing, Julianne and I hope to see you all throughout this upcoming holiday season. We want to thank God for this fantastic life He has given us and hope and pray that He may bless each of you forever.

Merry Christmas and Happy New Year.

David Smith

P.S. Thanks for the many wonderful memories.

The year has flown by and it has been a great one under the leadership of our Illustrious Potentate, David Smith.

The fall ceremonial on December 9th is “The Sammy Stewart Class.” He was in the Clown Unit and called “YoYo” and famous for his pink hair. He was the chairman of the Clown Paper Sale for many years and was one of the greatest people I have ever known, one of those who makes a lasting impression. I am ever grateful for his wisdom and strength that he shared with me and others. This is a wonderful tribute to his memory and I and many others appreciate it greatly.

The parades will begin and there are many of them this year. The parties will be enjoyed by all of us. Be careful, be safe and “Peace on Earth and Good Will to All” throughout the season.

The New Year’s Eve Party is sure to be a success, so please make plans to attend and at midnight the new officers will be installed. A huge crowd would be nice. Remember our sick and the families who have lost loved ones. Our prayers are with everyone.

Until next time,
Johnny Dudley

Once again the year has rolled around to the holidays. It’s parade time again. I hope the Drum & Bugle Corps will turn out for the parades we have voted to attend.

Our hearts are sad due to the loss of Billie Sue George, the wife of Lewis George. Our sick list has Mary Branch with knee surgery, George & Margaret Farrell’s granddaughter had surgery, Wayne Branch and Howard Davis both have brothers in the hospital. Since I missed the last Shriners I would like to congratulate David Smith on a great circus. I want to thank all the members who marched in the Circus. It was great to have such a turnout.

We shared a room with the Oriental Band this year and I want to thank the Ladies from both units for the great food they provided the hospitality room. I also want to thank the Music City Dee Bees for furnishing the candy for the children’s bags. It takes a lot of work and planning to get the work done and we have great participation when it comes to getting the work done. Thanks to everyone.

I would like to wish everyone a Happy and Healthy holiday season. Phil Kittrell Captain

The end of the year is just a few days away. We have the elections and the New Year’s party, and then we start a new year with Chief Rabban Jim Cain as our Potentate. Our unit says a “Well Done” to Ill. Sir David Smith in his leadership for 2005. One of his many qualities is that he is not afraid to pitch in and help no matter the situation.

Two of our great Ladies, Kay Fox and Emma Brim, are on the road to recovery. Both were at the circus. Sheila MacDonald can be added to our sick list and request your prayers. It Works.

Speaking of the circus, I want to thank all the Units that park in the basement for their corporation in making it go smoothly. I will pass on that job as well as the quill to someone else next year.

It is very fitting that the Fall Ceremonial be named after Sammy Stewart. He was a class act. He was one of the first clowns that I became friends with when I joined the Shrine.

Capt. Jerry Bains wishes to thank all those who made his year a success. Let’s all give the same support to our incoming Capt. Gary Howell.

Thanks to Ronald Pugh and Willie Merrill for all the fine food not only at the circus but at every meeting.

Yours, Sarge

Another month slipped by and weather is getting cold. Tuna finished up all our trips for the year. Elections were held at the November meeting and the new officers for 2006 are as follows: President, Lauren Bobel; Vice President, Juanita Allinder; Secretary, Betsy Smith, and Treasurer, Georgia Harper. Appointed Chairmen were Telephone Joyce Sanders, Faye Perry and Barbara Williams. Hospitality, Marvin Ed Smith, and Sunshine Dot Martin.

Our Christmas Party is December 8. As I look back over my year as President there are so many Nobles and Ladies outside our group that I need to thank I would not know where to start.

I and the Singles Group wish all the Nobles and Ladies a great Holiday Season and a Happy New Year.

Gary

Brother Nobles, we want to first remember our sick, William Duffy, Allen Jones, and Pat Cain, and all our other sick, disabled and shut-ins. Pat Cain wanted everyone to know how much he enjoyed all the cards and phone calls. Let’s also remember Paul Holloway’s family who recently lost Paul. This has been an excellent year! The circus was a HUGE success! Every Unit worked hard for all the children. Our Unit is especially grateful for all the work Jeff and Kim Head do for the Shrine.

The Director’s Staff would like to thank our Illustrious Potentate David Smith and Lady Julianne for their hard work as well as Billy and June Burgess.

A reminder, mark your calendar for the Director’s Staff Christmas Party on December 17, 2005. Dedicated Tim Mason was elected Lieutenant for 2006. We know he will give 110 percent.

CHIEF RABBAN

As the holiday season approaches may we stop and reflect on the many blessings that have come our way. We also need to remember the families of our departed brothers in our prayers and thoughts during this season.

Our fraternity had a great year under the leadership of Ill. Sir David Smith and Lady Julianne and I know you will want join us in saying “THANKS” for all they have done. Our Nobles and families are the reason for the successes we have shared and we say “A SPECIAL THANKS” to each of you. We are excited about the future of Al Menah and hope you will continue to support the programs and functions that have been planned. Nobles, you are personally invited to the Chief Rabbans Dinner on December 5th at 6:00pm to meet the staff for next year and see the proposed schedule of events.

Vickie and I want to extend to each of you the warmest and greatest holiday season ever and look forward to seeing each of you next year. Chief Rabbans Jim Cain and Lady Patsy are planning a great year and all of us should look forward to enjoying 2006.

‘Til next time
Victor & Vickie Smith

HIGH PRIEST & PROPHET

As this year come close to an end let me thank all of the Units and Clubs for their hospitality which has been extended to me and Lady Vicky. We both enjoy the fellowship and time spent with the groups.

Our fraternity is stronger due to the tremendous efforts and success of Potentate David Smith. His efforts show in our successes. He and Lady Julianne are to be commended for their hard work. The Potentate’s staff and their Ladies are also to be commended for all their time spent. The success of Al Menah shows due to all of these individuals hard work.

As this year comes to a close and parade season is upon us, let’s get out there and shine and be proud of who and what we are. This is our opportunity for the public to see us unite and give back to the communities that support us and the hospitals.

Jim & Patsy Cain

ASST RABBAN

As we say goodbye to 2005 and welcome 2006, let’s remember the great year Al Menah had under the leadership of the Ill. Sir David Smith and Lady Julianne. We can never thank you enough for all your efforts. Also outgoing to Recorder P.P. George Cook and his Lady Ruth, we say thanks for all the hard work and dedication. Both of the Nobles leave big shoes to fill. 2005 will be remembered for so much good, but let’s also remember the friends and family that left this year for a much better place.

We say to Chief Rabbans Jim Cain and Lady Patsy we are behind you 110 percent. Jim and Patsy are class people and hard workers. I am sure we will have another great year in 2006. So as Christmas nears, let’s all slow down in this hustle-bustle world. Enjoy friends and family. Tell someone that you love them. Also, pray for our troops. Bring them home soon and safely.

Maggie and I wish you all a Merry Christmas and a Happy New Year!

Yours in the faith,
Mike Martin

In recognition of his years of work dedicated to unlocking the mysteries of osteogenesis imperfecta (OI) and improving the lives of children coping with the disease, Francis Glorieux, M.D., Ph.D., was given an Award of Excellence at the recent Imperial Council Session in Baltimore.

Dr. Glorieux has been director of research and head of the genetics department at the Canadian Shriners Hospital for Children in Montreal since 1972. He has devoted his career to understanding and treating genetic and metabolic bone diseases in children. His research lab in Montreal was responsible for establishing protocols that resulted in improved treatment of rickets. In 1998, Dr. Glorieux’s development of new, more effective treatments for OI brought worldwide recognition to Shriners research programs. Remedies based on the research conducted at the Shriners Hospital in Montreal are now used to help children around the world.

In presenting the award, (then) Imperial Potentate Raoul Frevel described Dr. Glorieux as “one of the most eminent researchers in the world,” and, as being “perhaps more than anyone else, responsible for improving the lives of children and adults with OI.”

Dr. Glorieux’s most recent research has been studying the effects of the drug alendronate in patients with severe cases of OI. Researchers have observed that, in very general terms, the drug improved clinical outcomes, increased bone density and reduced bone resorption. (“Bone resorption” is the process by which old bone tissue is broken down and removed by special cells. Bone resorption is normally in balance with bone formation). The study confirmed a decreased number of fractures as well as increased mobility. All children in the study reported substantial relief from pain and fatigue.

In addition to his position at Shriners Hospitals, Dr. Glorieux is a professor of surgery, pediatrics and human genetics at McGill University in Montreal. He received his medical degree from the University of Louvain in Belgium and his doctorate in biology (human genetics) from McGill University.

During his career, Dr. Glorieux has received many other accolades, including an award from the American Society for Bone and Mineral Research for outstanding clinical investigation of disorders of bone and mineral metabolism. He was also named an Officer of the Order of Canada, one of the highest awards that can be bestowed upon a citizen of Canada by its governmental leaders, recognizing a lifetime of outstanding achievement.
SHRINERS PULL TOGETHER IN WAKE OF KATRINA

“You know you’ve been through a hurricane when there’s a tree in your living room and it’s not Christmas,” jokes Noble Omar Chisholm, Recorder of Joppa Shrine in Biloxi, Miss.

Chisholm and the Joppa Shriners are putting the best face on Hurricane Katrina, which barreled through the Gulf Coast on August 29. All of Joppa’s Nobles sustained a degree of damage to their homes, and some lost everything to the category-four storm.

Chisholm wound up with seven trees on top of his house and “skylights I didn’t want in my kitchen,” he smiles.

It’s a similar situation for many from Jerusalem Shrine, in Destrehan, La. Their Temple is located five miles northwest of the New Orleans International Airport.

“Approximately 300 of our members live in the Saint Bernard area of New Orleans, and most of them sustained total losses,” reports Assistant Raban Jefferson “Jeff” Tomlinson. He adds that three members of the Divan — including Potentate Dwayne Roberts and Lady Valerie — lost their homes, cars and belongings.

The recovery effort for Jerusalem Shriners has been slow. The Temple’s roof must be replaced, and standing water damaged the floors and walls. Meetings have been impossible, and communication is hampered.

Federal Emergency Management Agency, which following Katrina set up a relief effort in Jerusalem’s parking lot, has since left, but the Temple has clothing and supplies on hand for any Shriners that needs assistance. An 18-wheeler packed with supplies arrived from Kosair Shrine in Louisville, Ky, and Temples across the country have donated to a relief fund set up by Jerusalem. But times are tough.

“Many of our Nobles were left unemployed by the storm,” Tomlinson says, adding that the Temple had to cut its employees’ schedules to save money.

“We’re stretched really thin, but we are so appreciative of all of the support we’ve received. We’re very grateful.”

The Nobles of Joppa are grateful too. Their Temple received only minor damage, and was selected as a point-of-distribution area for the American Red Cross. Approximately 300 Red Cross workers and volunteers are on hand 24 hours a day, seven days a week, providing financial support, food, clothing and supplies to hurricane victims. Moreover, Shriners from Wahabi Shrine Temple in Jackson, Miss. and the DeSoto and Olive Branch Shrine Clubs have chipped in to help. One day, the group traveled to Biloxi and handed out hot meals to 3,000 hurricane victims. Joppa also has received support from Hadji Shriners in Pensacola, Fla.

Donations are still being accepted by Jerusalem and Joppa. Write to Jerusalem Shriners Hurricane Katrina Relief Fund, c/o Potentate, P.O. Box 712, Destrehan LA 70047; or to Joppa Shriners Hurricane Katrina Relief Fund, c/o Hancock Bank, 808 Beach Blvd., Biloxi, MS 39530.

“We’re stretched really thin, but we are so appreciative of all of the support we’ve received. We’re very grateful.”

There was a friend whose heart was good,
He walked with men and understood.
His was a voice that spoke with cheer,
And felt like music on the ear.
His was a smile men loved to see;
His was a hand that asked no fee
For friendliness or kindness done.
And now that he has journeyed on,
His is a fame that never ends—
He leaves behind uncounted friends.
